BRING A COLLEAGUE TO SCHOOL DAY

Do you ever wonder where your colleague goes after hours? Have you thought about working and going to school at the same time, but you didn't know if you could do it? Do you want to **jump start** your career, add to **your skill set** and **apply what you learn** the next day at work?

Come **experience** the Rice MBA for yourself. We invite you to join your co-worker to see first-hand what life as a Rice MBA for Professionals student is like. Meet up with current students and your work mate for dinner, a building tour and a rigorous class and get a glimpse of **a day in the life of a Rice MBA**.
